

## **Dana Incorporated Recognized by Hino Trucks for On-Time Delivery**

August 17, 2016

MAUMEE, Ohio, Aug. 17, 2016 /PRNewswire/ -- Dana Incorporated (NYSE: DAN) today announced that it was recognized by Hino Motors Manufacturing, Inc. for 100 percent on-time delivery at the annual Hino supplier conference last month. Dana currently supplies driveshafts, companion flanges, and yokes to Hino from facilities in North America and Asia. These components are used on a range of Hino medium-duty trucks, as well as Toyota Tundra pickup trucks.

"As a global manufacturer of commercial vehicles, Hino requires the highest levels of quality, service, and reliability from the companies that supply it," said Mark Wallace, president of Dana Commercial Vehicle Driveline Technologies. "This award shows evidence of the operational excellence that Dana continuously drives throughout each of our global facilities and our demonstrated role as a trusted supplier."

### **About Hino**

Hino, a Toyota Group Company, assembles, sells, and services the most environmentally friendly lineup of Class 4-7 conventional and cab-over commercial trucks in the United States. Headquartered in Novi, Michigan, Hino boasts a network of over 200 dealers nationwide committed to achieving excellence in customer service and support. Hino Trucks is the premier medium duty nameplate in the United States with a product lineup that offers low total cost of ownership, superior fuel economy, unmatched reliability and maneuverability, and the most comprehensive bundle of standard features in the market. For more information, visit Hino's internet home page at [www.hino.com](http://www.hino.com) or follow Hino on Facebook, Twitter, and YouTube.

### **About Dana Incorporated**

Dana is a world leader in the supply of highly engineered drivetrain, sealing, and thermal-management technologies that improve the efficiency and performance of vehicles with both conventional and alternative-energy powertrains. Serving three primary markets – passenger vehicle, commercial truck, and off-highway equipment – Dana provides the world's original-equipment manufacturers and the aftermarket with local product and service support through a network of nearly 100 engineering, manufacturing, and distribution facilities. Founded in 1904 and based in Maumee, Ohio, the company employs more than 23,000 people in 25 countries on six continents. In 2015, Dana generated sales of nearly \$6.1 billion. *Forbes* Magazine has again selected Dana as one of America's 100 Most Trustworthy Companies.
