

Dana Earns Two Ford World Excellence Awards

May 17, 2018

MAUMEE, Ohio, May 17, 2018 /PRNewswire/ -- Dana Incorporated (NYSE: DAN) has once again been honored by Ford Motor Company as a top-performing supplier, receiving two awards at the 20th annual Ford World Excellence Awards. Only 52 companies were selected as winners from thousands of Ford suppliers globally. This marks the fourth consecutive year Dana has received an award from Ford, and the company's first in the Brand Pillar category.

Dana earned the Green Pillar Award, which is presented to top supplier parent companies that demonstrate excellence in the delivery of fuel-efficient technologies in support of Ford's drive to become a global leader in environmentally sustainable and socially responsible products. Dana was one of four companies globally to receive the award.

"Our World Excellence awards recognize the outstanding achievements of Ford Motor Company's top-performing suppliers around the world," said Hau Thai-Tang, executive vice president, product development and purchasing. "Suppliers like Dana are key to Ford's continued success as we work towards our goal of becoming world's most trusted mobility company."

Dana also received a Silver Award, which recognizes the company's axle manufacturing facility in Columbia, Missouri, for exceeding expectations to achieve the highest levels of excellence in quality, delivery, value, and innovation.

"Receiving the Green Pillar Award from Ford Motor Company is a demonstration of our team's commitment to developing technologies that not only offer a significant benefit for the end-user, but also help to reduce the impact on the environment," said James Kamsickas, Dana president and CEO. "We are pleased to receive this award from one of our largest customers and are excited to continue collaborating with them to deliver innovative solutions that provide maximum performance and fuel efficiency."

About Dana Incorporated

Dana is a world leader in highly engineered solutions for improving the efficiency, performance, and sustainability of powered vehicles and machinery. Dana supports the passenger vehicle, commercial truck, and off-highway markets, as well as industrial and stationary equipment applications. Founded in 1904, Dana employs approximately 30,000 people in 33 countries on six continents who are committed to delivering long-term value to customers. The company reported sales of more than \$7.2 billion in 2017. Based in Maumee, Ohio, the company's operations in Northwest Ohio and Southeast Michigan were selected as a Top Workplace for the last two years by *The (Toledo) Blade* and its research partner, Energage. Dana is ranked among the Drucker Institute's listing of the 250 most effectively managed companies. For more information, please visit www.dana.com.
