Item 8.01. Other Events.

On October 20, 2004, Dana Corporation (Dana) filed a Current Report on Form 8-K which included, as Exhibit 99.1, a news release regarding Dana's earnings for the three months and nine months ended September 30, 2004.

We have determined that there was a misallocation between two asset items in the Dana Corporation Condensed Balance Sheet (Unaudited) included in the press release, as a result of the omission of a reclassification entry. In the Condensed Balance Sheet, "Investment in leases" at September 30, 2004, should have been decreased by \$137 million and "Property, plant and equipment, net" should have been increased by \$137 million. This correction does not affect any of the subtotals or totals in the Condensed Balance Sheet. The correct numbers will appear in our Quarterly Report on Form 10-Q for the quarterly period ended September 30, 2004, which will be filed with the Securities and Exchange Commission shortly.
