Explanation of Responses:

- 1. Restricted stock units granted as a result of Reporting Person's election to defer a portion of his annual retainer paid for service on issuer's Board of Directors pursuant to the Dana Incorporation 2017 Omnibus Incentive Plan.
- 2. Each restricted stock unit represents the right to receive (1) one share of common stock or, at the issuer's election, an equivalent cash amount.
- 3. The number of restricted stock units credited are as of the last day of the quarter based on the quotient obtained by dividing (a) the dollar amount of the annual retainer earned by reporting person for the quarter by (b) the Market Value Per Share (as defined in the Plan) on the last day of the quarter (with the result being rounded down to the nearest whole number of restricted stock units).
- 4. All restricted stock units are fully vested. Settlement occurs the earlier of either (i) the first business day of the calendar month coincident with or next following the date that reporting person terminates service as a director of the issuer, or (ii) the date on which occurs a change in control
